

OASIS OF TRANQUILITY IN HISTORIC MALACCA

Welcome to Puri Spa Malacca, where you will find some of the region's finest natural healing traditions in a peaceful sanctuary of relaxation, comfort, and serenity.

Located within the tropical gardens of Hotel Puri Melaka, the spa is housed in a traditional Peranakan setting, and it features an open-air tropical water garden with five private treatment rooms located on two levels. As you embark on your journey with us, step into a realm of relaxation and let your senses be calmed by the comforting sounds of flowing water, soothing music, and natural aromatic fragrances.

Choose from an array of traditional wellness therapies and treatments inspired by the diversely rich cultures of the Malay Archipelago region. Using only the finest natural botanical and aromatic ingredients, each treatment is specially personalised to gently balance and renew the body and mind.

Whether you select a therapeutic body massage, an individual treatment, or a Puri relaxation package, our gracious and skilled therapists will ensure your time with us is an enjoyable and truly memorable spa experience.

- **Malay Traditional Massage**

Inspired by massage skills handed down from generation to generation in the Malay archipelago, this relaxing treatment combines classic techniques such as kneading, broad strokes and soothing body sweeps to form a truly effective therapy to eliminate stress and relieve muscle aches.

- **Aromatherapy Massage**

Choose your preferred blend from our carefully concocted choice of pure essential oils and enjoy its therapeutic aroma as our trained therapists skillfully work your body with firm but comforting massage techniques. It won't be long before you reach a state of bliss.

- **Deep Tissue Massage**

Surrender to our therapist's expert manipulation as penetrating finger pressure at strategic points is alternated with broad, long strokes and carefully kneading to rid tension and unclench tight muscles. Great for relaxation after sports activities.

- **De-Stress Back Massage**

Specially designed to target muscle aches and discomfort around neck, shoulders, upper back and lower back muscles, this therapy is also an effective stress-buster. Relax as our therapists diligently knead, rub and pummel the targeted muscles into submission.

All our facial series feature peppermint foot spa, facial cleansing, facial scrub, aroma facial massage, cooling roller treatment, warm compress, facial masque, toning with flora water and application of essential harmony blend suitable for your skin type. Ingredients used are derived from 100% natural botanical products based on Asian beauty secrets from Malaysia's various cultures.

- **Malay Traditional Facial (for all skin type)**

Selected local herbs with a dash of sandalwood are used to provide exfoliating cleansing while the cooling and brightening properties of sengkang (yam bean) are tapped for an effective scrub. The natural goodness of Malaysia's national flower, Hibiscus is chosen for facial masque for its many benefits including removal and reduction of pore clogging, skin softening and improved general appearance and condition of the skin.

- **Tropical Rejuvenating Facial (for dry / mature skin / anti aging)**

This facial features the use of our black rice mask which helps to reduce the appearance of fine lines and wrinkles. Black rice contains antioxidants and polysaccharides to soothe skin and restore elasticity, leaving skin exceptionally soft and supple. Complemented by our multiple-step facial treatments, this facial is recommended to push back the effects of aging.

- **Revitalising Aromatherapy Facial (for sensitive / sun-burnt skin)**

A sumptuous concoction of Kacang hijau (green pea) and herbs is used as facial scrub. Traditionally used by Asians to help smoothen, calm and refresh even the most sensitive skin, kacang hijau helps to maintain softness of facial skin. Our kacang hijau scrub formulation gives you a fine-textured, non-abrasive peel suitable for sensitive skin. Enzymatic facial masque with natural fruit enzymes to encourage skin regeneration and renewal is also a highlight of this facial.

- **Deep Cleansing Facial (for him / oily / blemish prone skin)**

Mangir facial scrub and Green Clay Masque are special features in this male-oriented facial. Mangir facial scrub has long been traditionally used to deeply cleanse and hydrate skin. This special blend of rice and herbs will result in smooth and soft skin. On the other hand, Green Clay Masque contains high percentage of trace elements with powerful cleansing properties known for exfoliating, astringent and purifying qualities.
